Dear colleagues,

Please see below, and feel free to forward to potentially interested applicants. I'm happy to answer questions as well!

Apologies for the cross-posting

Candidates are being considered for a full-time Research Support Specialist position in Dr. Matthew Lerner's Social Competence and Treatment Lab in the Department of Psychology at Stony Brook University.

This position is to support a NIMH R01-funded study of social functioning in children and teens with and without autism spectrum disorders.

For more information and to apply, please see here.  
https://stonybrooku.taleo.net/careersection/2/jobdetail.ftl?job=1900631&tz=GMT-05%3A00

Additional details below:

**Required Qualifications:**
Bachelor's degree (or foreign equivalent or higher), in hand, or to be obtained by August 1, 2019. Experience in a research setting with individuals with autism spectrum disorders (work experience, internship, student, training, etc.). Experience demonstrating professional competence in research activities.

**Preferred Qualifications:**
Bachelor’s degree or higher in Psychology. Experience with EEG data collection. Experience interfacing with schools. Experience working with children and/or families. Research experience.

**Brief Description:** To assist in a study examining how children with and without autism spectrum disorders process social information, and how this relates to their peer interactions and friendship-making.

The selected candidate will be responsible for the following duties:

- Scheduling
- Coordinating contact with schools & families
- Training and mentoring undergraduate students in the lab
- Conducting research visits
- Assist with managing lab materials, ordering, and data
- Assist with IRB compliance, progress reports
- Other duties or projects as assigned

**Special Notes:** This is a full time position. The Research Foundation of SUNY is a private educational corporation. Employment is subject to the Research Foundation policies and procedures, sponsor guidelines and the availability of funding.  FLSA Nonexempt position, eligible for the overtime provisions of the FLSA.

About Stony Brook:
Stony Brook University, home to many highly ranked graduate research programs, is located 60 miles from New York City on Long Island’s scenic North Shore. Our 1,100-acre campus is home to 24,000 undergraduate, graduate, and doctoral students and more than 13,500 faculty and staff. SBU is a comprehensive research-intensive university and a member of the prestigious Association of American Universities (AAU), which includes 34 public universities among its 62 members. SBU consists of 12 schools and colleges and a teaching hospital that provides state-of-the-art healthcare in the Long Island region. SBU also manages and performs joint research with Brookhaven National Laboratory, the only Department of Energy Laboratory in the Northeast, and shares doctoral programs with Cold Spring Harbor Laboratory, a world-renowned molecular biology institute. Home to the Emerson String Quartet, the Jackson Pollack House in East Hampton, New York, the Humanities Institute, and the Southampton Arts Program, and with endeavors that extend to the Turkana Basin Institute in Kenya and the Ranomafana National Park in Madagascar, SBU sustains an international reputation that cuts across the arts, humanities, social sciences, and natural sciences.

Equal Opportunity Employer, females, minorities, disabled, veterans.
If you need a disability related accommodation, please call the University Human Resource Services Department at (631) 632-6161 or the University Hospital Human Resources Department at (631) 444-4700.
