

ASSESSMENT OF PARENTING STYLES AND PREFERENCES

Binghamton University researchers are looking for parents of autistic children (3-7 years old) in the U.S. for an online study.

What will be asked: Participants will watch videos of parent-child interactions and complete questionnaires

Expected duration: ~1 hour

Eligible participants must...

- Be over the age of 18 years old
- Read/speak English
- Have a child ages 3-7 years old with a suspected or confirmed diagnosis of autism
- Be at least a 2nd generation American citizen and have lived in the U.S. the majority (>50%) of their life
- Have access to the internet

Following participation, you will have the chance to win 1 of 20 \$50 prepaid gift cards!

To participate, complete the screener and consent form below:
