

AUTISM PERSPECTIVES NEEDED

We Are Looking For Individuals:

- Between the ages 15-34 who identify as autistic
- Living in the United States
- Have access to internet and a computer

Do you want to help clinicians to better understand autistic individuals? We are looking for volunteers to participate in a remote interview discussing their thoughts, feelings and experiences.

**2 hour Zoom
interview session**

**Participants will
receive a \$20 Gift
Card**
