

Participate in our Conversations Study!

We are seeking **children ages 9-17** with
an autism diagnosis to:

Watch short
videos

Have a
conversation with
a peer

Answer quick surveys

At the FACE Lab, we hope to understand and raise awareness
about how children on the Autism spectrum perceive and
produce social cues.

Interested? Contact: facelab@emerson.edu

FACE Lab at Emerson College

Location: 216 Tremont Street, Downtown Boston
