

Families with children on the autism spectrum needed

for a remote study on how children who are minimally- or non-speaking communicate

If your child:

- Has a diagnosis of autism
- Is 5 to 10 years old
- Uses fewer than 50 words to communicate

Your family may be eligible to participate in a paid study

You may be asked to:

- Video yourself interacting with your child
- Meet with a research team member via video-conference 1-3 times
- Fill out questionnaires
