

# PARTICIPANTS NEEDED!!

## RESEARCH OPPORTUNITY FOR FAMILIES WITH CHILDREN ON THE SPECTRUM

What is this study about: We are interested in looking at how social and emotional skills, like self awareness and responsible decision-making, may impact one's mental health.

Who can participate: Parents/guardians of a child, aged 9-15 who has a medical diagnosis or an educational classification of Autism Spectrum Disorder (ASD).

Participate and get a chance to win 1 out of 3 \$50 Amazon gift cards!

What happens if I agree to participate: You will be asked to complete an online anonymous survey, which will take around 17-20 minutes.

Interested in participating in this study? Please click the link below or scan the QR code!
